MEMORANDUM FOR: Project Contracting Officer 21 December 1956

SUBJECT : [REDACTED] Preamplifier

REFERENCE : Memorandum for Project Director from ELINT  
Staff Officer, 14 December 1956 (SAPC-11614)

This will confirm our conversation of 20 December to the effect that I concur in the above referenced recommendation. This is with the understanding that if we should later decide that we do not require for AQUATONE the number of Preamplifiers proposed to be procured, we will be able to transfer these to the Air Force which has a prospective requirement for them.

SIGNED

RICHARD M. BISSELL, JR.  
Project Director
